I. SUMMARY

21 1. This is a civil rights action by plaintiff JOSE ESCOBEDO (“Plaintiff”) for
22 discrimination at the building, structure, facility, complex, property, land, development, and/or
23 surrounding business complex known as:

La Espiga Mexican Restaurant
1649 10th Street
Reedley, California 93654
(hereafter "the Facility")

27 2. Plaintiff seeks damages, injunctive and declaratory relief, attorney fees and costs,
28 against FERNANDO AMBRIZ dba LA ESPIGA MEXICAN RESTAURANT, ALFONSO

1 LOPEZ, and VERONICA LOPEZ (hereinafter collectively referred to as “Defendants”),
2 pursuant to Title III of the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12101 et seq.)
3 (“ADA”) and related California statutes.

4 **II. JURISDICTION**

5 3. This Court has original jurisdiction under 28 U.S.C. §§ 1331 and 1343 for ADA
6 claims.

7 4. Supplemental jurisdiction for claims brought under parallel California law –
8 arising from the same nucleus of operative facts – is predicated on 28 U.S.C. § 1337.

9 5. Plaintiff’s claims are authorized by 28 U.S.C. §§ 2201 and 2202.

10 **III. VENUE**

11 6. All actions complained of herein take place within the jurisdiction of the United
12 States District Court, Eastern District of California, and venue is invoked pursuant to 28 U.S.C.
13 § 1331(b), (c).

14 **IV. PARTIES**

15 7. Defendants own, operate, and/or lease the Facility, and consist of a person (or
16 persons), firm, and/or corporation.

17 8. Plaintiff suffers from rheumatoid arthritis which impairs his ability to move his
18 joints without pain, is substantially limited in his ability to walk requiring a cane for mobility,
19 and has limited dexterity due to arthritis and finger amputation. Consequently, Plaintiff is
20 “physically disabled,” as defined by all applicable California and United States laws, and a
21 member of the public whose rights are protected by these laws.

22 **V. FACTS**

23 9. The Facility is open to the public, intended for non-residential use, and its
24 operation affects commerce. The Facility is therefore a public accommodation as defined by
25 applicable state and federal laws.

26 10. Plaintiff lives within 30 miles of the Facility and visited the Facility on or about
27 March 6, 2024 to have lunch. During his visit to the Facility, Plaintiff personally encountered
28 barriers (both physical and intangible) that interfered with, if not outright denied, Plaintiff’s

1 ability to use and enjoy the goods, services, privileges and accommodations offered at the
2 Facility. These barriers include, but are not necessarily limited to, the following:

- 3 a) The Facility entrance door was heavy and closed too quickly, which made
4 it hard for Plaintiff to open the door and walk through it. Additionally, the
5 door had a round door knob that required tight grasping and twisting of
6 the wrist to operate, which was difficult and painful for Plaintiff to use.
- 7 b) The entrance door had a high threshold, which was difficult for Plaintiff
8 to step over.
- 9 c) Plaintiff could not locate an accessible table with sufficient knee and toe
10 clearances; he had to sit at a standard table which had a base obstructing
11 his feet. As a result, Plaintiff had to sit at an awkward angle at the table
12 while eating and drinking, which was difficult and uncomfortable.
- 13 d) The men's restroom door was too heavy, which made it difficult for
14 Plaintiff to open.
- 15 e) The toilet in the men's restroom was too low and far from the wall, which
16 made it difficult for Plaintiff to lower himself and stand up from the toilet.
- 17 f) The soap dispenser and paper towel dispenser in the men's restroom were
18 positioned too high, which made them hard for Plaintiff to reach.

19 11. There may exist other barriers at the Facility which relate to Plaintiff's
20 disabilities, and he will seek to amend this Complaint once such additional barriers are identified
21 as it is Plaintiff's intention to have all barriers which exist at the Facility and relate to his
22 disabilities removed to afford him full and equal access.

23 12. Plaintiff was, and continues to be, deterred from visiting the Facility because
24 Plaintiff knows that the Facility's goods, services, facilities, privileges, advantages, and
25 accommodations were and are unavailable to Plaintiff due to Plaintiff's physical disabilities.
26 Plaintiff enjoys the goods and services offered at the Facility, and will return to the Facility once
27 the barriers are removed.

28 //

1 13. Defendants knew, or should have known, that these elements and areas of the
2 Facility were inaccessible, violate state and federal law, and interfere with (or deny) access to
3 the physically disabled. Moreover, Defendants have the financial resources to remove these
4 barriers from the Facility (without much difficulty or expense), and make the Facility accessible
5 to the physically disabled. To date, however, Defendants refuse to either remove those barriers
6 or seek an unreasonable hardship exemption to excuse non-compliance.

7 14. At all relevant times, Defendants have possessed and enjoyed sufficient control
8 and authority to modify the Facility to remove impediments to Plaintiff's access and to comply
9 with the 1991 ADA Accessibility Guidelines and/or the 2010 ADA Standards for Accessible
10 Design. Defendants have not removed such impediments and have not modified the Facility to
11 conform to accessibility standards. Defendants have intentionally maintained the Facility in its
12 current condition and have intentionally refrained from altering the Facility so that it complies
13 with the accessibility standards.

14 15. Plaintiff further alleges that the (continued) presence of barriers at the Facility is
15 so obvious as to establish Defendants' discriminatory intent. On information and belief, Plaintiff
16 avers that evidence of this discriminatory intent includes Defendants' refusal to adhere to
17 relevant building standards; disregard for the building plans and permits issued for the Facility;
18 conscientious decision to maintain the architectural layout (as it currently exists) at the Facility;
19 decision not to remove barriers from the Facility; and allowance that Defendants' property
20 continues to exist in its non-compliant state. Plaintiff further alleges, on information and belief,
21 that the Facility is not in the midst of a remodel, and that the barriers present at the Facility are
22 not isolated or temporary interruptions in access due to maintenance or repairs.

VI. FIRST CLAIM

Americans with Disabilities Act of 1990

Denial of “Full and Equal” Enjoyment and Use

26 16. Plaintiff re-pleads and incorporates by reference the allegations contained in each
27 of the foregoing paragraphs, and incorporates them herein as if separately re-pled.

28 //

1 17. Title III of the ADA holds as a “general rule” that no individual shall be
2 discriminated against on the basis of disability in the full and equal enjoyment (or use) of goods,
3 services, facilities, privileges, and accommodations offered by any person who owns, operates,
4 or leases a place of public accommodation. 42 U.S.C. § 12182(a).

5 18. Defendants discriminated against Plaintiff by denying Plaintiff “full and equal
6 enjoyment” and use of the goods, services, facilities, privileges and accommodations of the
7 Facility during each visit and each incident of deterrence.

Failure to Remove Architectural Barriers in an Existing Facility

9 19. The ADA specifically prohibits failing to remove architectural barriers, which are
10 structural in nature, in existing facilities where such removal is readily achievable. 42 U.S.C.
11 § 12182(b)(2)(A)(iv).

12 20. When an entity can demonstrate that removal of a barrier is not readily
13 achievable, a failure to make goods, services, facilities, or accommodations available through
14 alternative methods is also specifically prohibited if these methods are readily achievable. Id.
15 § 12182(b)(2)(A)(v).

16 21. Here, Plaintiff alleges that Defendants can easily remove the architectural barriers
17 at the Facility without much difficulty or expense, that the cost of removing the architectural
18 barriers does not exceed the benefits under the particular circumstances, and that Defendants
19 violated the ADA by failing to remove those barriers, when it was readily achievable to do so.

20 22. In the alternative, if it was not “readily achievable” for Defendants to remove the
21 Facility’s barriers, then Defendants violated the ADA by failing to make the required services
22 available through alternative methods, which are readily achievable.

Failure to Design and Construct an Accessible Facility

24 23. Plaintiff alleges on information and belief that the Facility was designed and
25 constructed (or both) after January 26, 1993 – independently triggering access requirements
26 under Title III of the ADA.

27 24. The ADA also prohibits designing and constructing facilities for first occupancy
28 after January 26, 1993, that aren't readily accessible to, and usable by, individuals with

1 disabilities when it was structurally practicable to do so. 42 U.S.C. § 12183(a)(1).

2 25. Here, Defendants violated the ADA by designing and constructing (or both) the
3 Facility in a manner that was not readily accessible to the physically disabled public – including
4 Plaintiff – when it was structurally practical to do so.¹

5 Failure to Make an Altered Facility Accessible

6 26. Plaintiff alleges on information and belief that the Facility was modified after
7 January 26, 1993, independently triggering access requirements under the ADA.

8 27. The ADA also requires that facilities altered in a manner that affects (or could
9 affect) its usability must be made readily accessible to individuals with disabilities to the
10 maximum extent feasible. 42 U.S.C. § 12183(a)(2). Altering an area that contains a facility's
11 primary function also requires making the paths of travel, bathrooms, telephones, and drinking
12 fountains serving that area accessible to the maximum extent feasible. *Id.*

13 28. Here, Defendants altered the Facility in a manner that violated the ADA and was
14 not readily accessible to the physically disabled public – including Plaintiff – to the maximum
15 extent feasible.

16 Failure to Modify Existing Policies and Procedures

17 29. The ADA also requires reasonable modifications in policies, practices, or
18 procedures, when necessary to afford such goods, services, facilities, or accommodations to
19 individuals with disabilities, unless the entity can demonstrate that making such modifications
20 would fundamentally alter their nature. 42 U.S.C. § 12182(b)(2)(A)(ii).

21 30. Here, Defendants violated the ADA by failing to make reasonable modifications
22 in policies, practices, or procedures at the Facility, when these modifications were necessary to
23 afford (and would not fundamentally alter the nature of) these goods, services, facilities, or
24 accommodations.

25
26
27
28
¹ Nothing within this Complaint should be construed as an allegation that Plaintiff is bringing this action as a
private attorney general under either state or federal statutes.

Failure to Maintain Accessible Features

31. Defendants additionally violated the ADA by failing to maintain in operable working condition those features of the Facility that are required to be readily accessible to and usable by persons with disabilities.

32. Such failure by Defendants to maintain the Facility in an accessible condition was not an isolated or temporary interruption in service or access due to maintenance or repairs.

33. Plaintiff seeks all relief available under the ADA (i.e., injunctive relief, attorney fees, costs, legal expense) for these aforementioned violations. 42 U.S.C. § 12205.

34. Plaintiff seeks a finding from this Court (i.e., declaratory relief) that Defendants violated the ADA in order to pursue damages under California's Unruh Civil Rights Act.

VII. SECOND CLAIM

Unruh Act

35. Plaintiff re-pleads and incorporates by reference the allegations contained in each of the foregoing paragraphs, and incorporates them herein as if separately re-pled.

36. California Civil Code § 51 states, in part, that: All persons within the jurisdiction of this state are entitled to the full and equal accommodations, advantages, facilities, privileges, or services in all business establishments of every kind whatsoever.

37. California Civil Code § 51.5 also states, in part that: No business establishment of any kind whatsoever shall discriminate against any person in this state because of the disability of the person.

38. California Civil Code § 51(f) specifically incorporates (by reference) an individual's rights under the ADA into the Unruh Act.

39. Defendants' aforementioned acts and omissions denied the physically disabled public – including Plaintiff – full and equal accommodations, advantages, facilities, privileges and services in a business establishment (because of their physical disability).

40. These acts and omissions (including the ones that violate the ADA) denied, aided or incited a denial, or discriminated against Plaintiff by violating the Unruh Act.

11

1 41. Plaintiff was damaged by Defendants' wrongful conduct, and seeks statutory
2 minimum damages of \$4,000 for each offense.

3 42. Plaintiff also seeks to enjoin Defendants from violating the Unruh Act (and
4 ADA), and recover reasonable attorneys' fees and costs incurred under California Civil Code
5 § 52(a).

VIII. THIRD CLAIM

Denial of Full and Equal Access to Public Facilities

8 43. Plaintiff re-pleads and incorporates by reference the allegations contained in each
9 of the foregoing paragraphs, and incorporates them herein as if separately re-pled.

10 44. Health and Safety Code § 19955(a) states, in part, that: California public
11 accommodations or facilities (built with private funds) shall adhere to the provisions of
12 Government Code § 4450.

13 45. Health and Safety Code § 19959 states, in part, that: Every existing (non-exempt)
14 public accommodation constructed prior to July 1, 1970, which is altered or structurally repaired,
15 is required to comply with this chapter.

16 46. Plaintiff alleges the Facility is a public accommodation constructed, altered, or
17 repaired in a manner that violates Part 5.5 of the Health and Safety Code or Government Code
18 § 4450 (or both), and that the Facility was not exempt under Health and Safety Code § 19956.

19 47. Defendants' non-compliance with these requirements at the Facility aggrieved (or
20 potentially aggrieved) Plaintiff and other persons with physical disabilities. Accordingly,
21 Plaintiff seeks injunctive relief and attorney fees pursuant to Health and Safety Code § 19953.

IX. PRAYER FOR RELIEF

23 WHEREFORE, Plaintiff prays judgment against Defendants, and each of them, for:

24 1. Injunctive relief, preventive relief, or any other relief the Court deems proper.

25 2. Statutory minimum damages under section 52(a) of the California Civil Code

26 according to proof.

27 3. Declaratory relief finding that Defendants violated the ADA for the purposes of

28 Unruh Act damages.

- 1 4. Attorneys' fees, litigation expenses, and costs of suit.²
- 2 5. Interest at the legal rate from the date of the filing of this action.
- 3 6. For such other and further relief as the Court deems proper.
